How should we care for the world and others and why does it matter?

**Powerful Knowledge**  
 Each person is special and unique, Christians, Jews and Muslims believe that God values everyone and teach about how we should care for one another e.g. the Good Samaritan (Christian story) and the woman at the gates of Makkah (Muslim story). Many people of all religions or none believe in the golden rule which says "Treat others as you would like to be treated." Many people are inspired by their beliefs to help others and perhaps set up charities. We will look at examples of some amazing people.

How can we say thank you to the people who look after us and our world?

*Jesus told the parable of the Good Samaritan, someone who helped another*

**What I should already know**  
 Christians and Muslims believe that God made the world and that God wants people to look after the world and each other. We know Christians and Muslim stories which show this e.g story of creation, Prodigal son, Muhammad (pbuh) and the kittens

Why is it important to look after our world? How can we look after the environment? How can we get rid of plastic in our oceans?

What makes you unique and different to other people? What special skills do you have which you can use to help others?

**Charities**  
 Do you know the names of any charities? Which charities do we support at Kirkstall St. Stephen's?
