

Unit Objective: To describe what activities I do at the weekend with a time and an opinion in French

Powerful Knowledge:

- Tell the time in French using quarter past, half past and quarter to.
- Say and write in French what we do at the weekend using two or more sentences.
- Integrate conjunctions and opinions into written and spoken work to make more interesting and extended sentences.

Activities we will complete:

Learning to tell the time in French including quart past, half past and quarter to. Learning 10 short phrases for activities that often happen at the weekend. Lots of listening, reading and spoken tasks each week which will become progressively more challenging by the end of the unit. Building on the short phrases from week 2 by adding a time, a conjunction, another activity and an opinion. Final activities will include a picture story and an email in French detailing what you do at the weekend. There is an opportunity to present an extended piece orally and a translation activity from English into French.

Powerful Skills:

To be able to say and write what activities you do at the weekend, at what time you do them but also whether you like them or not. This unit will also encourage us to link our ideas together using more conjunctions and to create longer and more interesting replies as we will also try to include an opinion.

Vocabulary we will learn & revisit:

Ten phrases on activities to do at the weekend. A range of conjunctions and opinions to be able to fully answer the question qu'est-ce que tu fais le week-end? All listed on Vocabulary Sheet.

What I already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lessons 1,2 & 3.
- Language introduced from Early Learning and Intermediate units.
- Time on the hour as presented in the À L'École Progressive unit.
- How to give our personal details from memory (name, age and where we live).

Phonics & pronunciation we will see:

Recommended phonics focus: QU Ç GNE EN AN

- QU sound in quelle, informatique & musique
- AN sound in bandes, amusant, intéressant & fatigant
- EN sound in prends & finalement
- Silent letters. Hearing and seeing that the 's' is not pronounced in heures, and the 't' is not pronounced in amusant, barbant or fatigant. This is often the case when these consonants are the last letters in French words.
- Elision. J'écoute. Dropping of the last letter of a word (in this case the 'e' in je) and replacing it with an apostrophe. Attaching it to the word that follows which begins with a vowel or mute 'h'. This is in order to facilitate pronunciation. It is not optional in French.

Grammar we will learn & revisit:

Verbs, conjunctions and opinions. Revision and consolidation of a variety of first person singular high frequency verbs such as je vais and je joue. Also being introduced to new verbs such as je regarde, je lis and the reflexive verbs je me lève and je me couche. New conjunctions and opinions for joining two phrases together and opinions.
