

Good morning,

I'm writing to bring you news about this summer and how our holiday clubs will work.

We have 2 programmes running.

One is known as **Healthy Holidays** (HH) and children who are on the list of income related Free School Meals can get full funding support from Leeds City council to book places on this scheme.

To access Healthy Holidays club, not just ours but all HH clubs in Leeds, you now need to create an account and add your children to it. This is Leeds City council's central booking system and it will automatically verify that your children are on the Leeds free school meals list.

Once you've done that, you will be able to see the list of activities and book places on lots of activities throughout the summer.

This new system entirely replaces the codes we issued last year and is out of our control.

Click here to create your account: <https://healthyholidays.leeds.gov.uk/> and once you have done that, simply look out for us on the listings to book days at the clubs you want.

Here is a link to our HH planner so you can see where we are running HH clubs - <https://www.pepartner.co.uk/HAFSUMMER2024.pdf> - Please use this to plan it out and then jump on the Leeds City council site to book what you need. It's a first come first served basis and all children need to be verified with them first. Any enquiries about setting up your account or adding your children must be emailed to HHBooking@leeds.gov.uk

The second programme is our **KidsClubs** paid place holiday clubs. As always, we have a clubs running in every week of the summer break across the city. All the details are on our website, including a map to find venues, a calendar planner and booking links. As you are receiving this email you already have an online PE Partner account. The clubs are already filling up and we have an early bird incentive running, meaning that days are £17.00 per place up until a week before the club starts, when they go up to £19, so please don't delay.

Click here: <https://pe-partner.mailchimpsites.com/kids-clubs> to see our **KidsClubs** programme.

And don't forget to check out our **Recommend us to a friend** incentive - we want your help to get more kids more active more often, so will say thank you with a discount for spreading the word. Find out more here: <https://pe-partner.mailchimpsites.com/recommend-a-friend>

Thank you for taking the time to read this email.

If you are unsure about anything please check out our Frequently Asked Questions link or get in touch on kidsclubs@pepartner.co.uk

Have a nice day!

PE Partner
