

# Autumn 1

## Year 1 – Where I live

Geography: What are the landmarks of where I

History: Changes in living memory

Key Vocabulary	
country	An area of land with its own government, rules and borders.
city	A large town.
UK	The United Kingdom. It is made up of four countries: England, Scotland, Wales and Northern Ireland.
capital	A large city that is where the government runs from.
landmark	A feature of a landscape or place that is easily recognised. It could be something made by people (a human feature) or something that occurred naturally (a physical feature). Big Ben is a landmark in London.

<ul style="list-style-type: none"> <li>To use maps, atlases and globes to identify where we live.</li> <li>To know the city and country I live in.</li> <li>To be able to name a local landmark in my city.</li> <li>To be able to name a landmark in London</li> <li>To understand that some things are older and some things are newer (e.g. Kirkstall Abbey is old and The Royal Armouries is new)</li> <li>To describe how transport has changed over recent years.</li> </ul>	

NC coverage	
<ul style="list-style-type: none"> <li>Ge1/1.4a use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage</li> <li>Ge1/1.3ai identify seasonal and daily weather patterns in the United Kingdom – Covered in Science.</li> <li>History 1- changes within living memory- aspects of change in national life</li> </ul>	

**Skills:**  
 H: Chronological thinking  
 G: Map Skills

The first car only had enough space for 2 people. It did not have doors or a roof! The car was invented 70 years after the train.

Cars and buses all use a motor engine that works with fuel to power them.
