Autumn One – 2024/2025 - Year 3 – Netball (Invasion Games)

Knowledge Organiser Netball Year 3

About this Unit

Netball is an invasion game where two teams compete against each other. In an invasion game, you enter the other team's space to try to score goals while defending your own area. Netball helps develop teamwork, co-ordination, and strategic thinking. You'll learn how to pass, catch, and shoot. Unlike basketball, players cannot dribble the ball. They must pass it to their teammates to move it down the court.

Invasion Games Key Principles

attacking	defending
score goals	stop goals
create space	deny space
maintain possession	gain possession
move the ball towards goal	

Netball is played in over 80 countries and is especially popular in England, Australia, South Africa, Jamaica and New Zealand.
