If you choose the option for the school office and it has not been possible to answer your call it will go to voicemail and you can leave a message. All messages are picked up and you do not need to ring again.

School Meal Prices

The cost of school meals for children in key Stage 2 will increase on Monday to £2.75 a day. The weekly cost will now be £13.75.

This is due to the rise in what school are charged by Catering Leeds to provide the service and the rise in the cost of living and food prices in recent years.

This only applies to those who pay for their children's meals.

Reception and Key Stage 1 children will still receive the Universal Free Meal and those in receipt of a Free School Meal award will continue to receive a free school meal.
